Final Valley

https://youtu.be/-FbmdyYHHZ4?si=Cy5D9MR8KIRMKjLP

This hand-drawn runner combines fun gameplay with ecological science. As players run through the valley, they discover facts about butterflies and environmental protection.

Team Project · Game Design & Interactive Media · 2026 Role: Main designer. Hand-drawn visuals, gameplay design, coding.

03

Do we notice vanishing butterflies?

Few people notice butterflies are losing their homes. Most runner games focus only on fun, without science learning.

Know butterflies?

Protect habitats

What threatens
